NYC Basic Tips and Etiquette Nathan W. Pyle, 2014-04-15 New York Times Bestseller Living in New York City for five years as a transplant from Ohio, illustrator and T-shirt designer Nathan Pyle was fascinated by the unique habits and unspoken customs New Yorkers follow to make life bearable in a city with 8 million people (and seemingly twice the number of tourists). In *NYC Basic Tips and Etiquette*, Pyle reveals the secrets and unwritten rules for living in and visiting New York including the answers to such burning questions as, how do I hail a cab? What is a bodega? Which way is Uptown? Why are there so many doors in the sidewalk? How do I walk on an escalator? Do we need be touching right now? Where should I inhale or exhale while passing sidewalk garbage? How long should I honk my horn? If New York were a game show, how would I win? What happens when I stand in the bike lane? Who should get the empty subway seats? How do I stay safe during a trash tornado? Each tip is a little story illustrated in simple black and white drawings.

A People's Guide to New York City Carolina Bank Muñoz, Penny Lewis, Emily Tumpson Molina, 2022-01-25 This alternative guidebook for one of the world's most popular tourist destinations explores all five boroughs to reveal a people's New York City. The sites and stories of *A People's Guide to New York City* shift our perception of what defines New York, placing the passion, determination, defeats, and victories of its people at the core. Delving into the histories of New York's five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups' struggles bear the traces, and this book shows you where to look to find them. New York City is a preeminent global city, serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music. It is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function—immigrants, people of color, and the working classes—reside largely in the so-called outer boroughs, outside the corporations, neon, and skyscrapers of Manhattan. *A People's Guide to New York City* expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. Through the stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn and Staten Island as well as thematic tours and contemporary and archival photographs, a people's New York emerges, one in which collective struggles for justice and

freedom have shaped the very landscape of the city.

Abandoned NYC Will Ellis,2015-02-28 From Manhattan and Brooklyn's trendiest neighbourhoods to the far-flung edges of the outer boroughs, Ellis captures the lost and lonely corners of New York. Step inside the New York you never knew, with 200 eerie images of urban decay

MFA Vs NYC Chad Harbach,2014-02-25 Bringing together established writers, MFA professors and students, and New

York editors and agents, this must-read for aspiring writers and anyone interested in the present and future of American letters reveals the ways writers make--or fail to make--a living. Original. 15,000 first printing.

Good Night New York City Adam Gamble,2006-10-28 Easy-to-read text introduces the sights of New York City through a full day of sightseeing.

123 NYC Joanne Dugan,2007-04-04 Various scenes in New York City are used to illustrate the numbers from 1 to 20.

Gotham Edwin G. Burrows, Mike Wallace,1998-11-19 To European explorers, it was Eden, a paradise of waist-high grasses, towering stands of walnut, maple, chestnut, and oak, and forests that teemed with bears, wolves, raccoons, beavers, otters, and foxes. Today, it is the site of Broadway and Wall Street, the Empire State Building and the Statue of Liberty, and the home of millions of people, who have come from every corner of the nation and the globe. In *Gotham*, Edwin G. Burrows and Mike Wallace have produced a monumental work of history, one that ranges from the Indian tribes that settled in and around the island of Manna-hata, to the consolidation of the five boroughs into Greater New York in 1898. It is an epic narrative, a story as vast and as varied as the city it chronicles, and it underscores that the history of New York is the story of our nation. Readers will relive the tumultuous early years of New Amsterdam under the Dutch West India Company, Peter Stuyvesant's despotic regime, Indian wars, slave resistance and revolt, the Revolutionary War and the defeat of Washington's army on Brooklyn Heights, the destructive seven years of British occupation, New York as the nation's first capital, the duel between Aaron Burr and Alexander Hamilton, the Erie Canal and the coming of the railroads, the growth of the city as a port and financial center, the infamous draft riots of the Civil War, the great flood of immigrants, the rise of mass entertainment such as vaudeville and Coney Island, the building of the Brooklyn Bridge and the birth of the skyscraper. Here too is a cast of thousands--the rebel Jacob Leisler and the reformer Joanna Bethune; Clement Moore, who saved Greenwich Village from the city's street-grid plan; Herman Melville, who painted disillusioned portraits of city life; and Walt Whitman, who happily celebrated that same life. We meet the rebel Jacob Leisler and the reformer Joanna Bethune; Boss Tweed and his nemesis, cartoonist Thomas Nast; Emma Goldman and Nellie Bly; Jacob Riis and Horace Greeley; police commissioner Theodore Roosevelt; Colonel Waring and his white angels (who revolutionized the sanitation department); millionaires John Jacob Astor, Cornelius Vanderbilt, August Belmont, and William Randolph Hearst; and hundreds more who left their mark on this great city. The events and people who crowd these pages guarantee that this is no mere local history. It is in fact a portrait of the heart and soul of America, and a book that will mesmerize everyone interested in the peaks and valleys of American life as found in the greatest city on earth. *Gotham* is a dazzling read, a fast-paced, brilliant narrative that carries the reader along as it threads hundreds of stories into one great blockbuster of a book.

Crying in H Mart Michelle Zauner,2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in

losing her mother and cooking to bring her back to life, Zauner became herself” (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

High Line Joshua David, Robert Hammond, 2011-10-11 How two New Yorkers led the transformation of a derelict elevated railway into a grand--and beloved--open space The High Line, a new park atop an elevated rail structure on Manhattan's West Side, is among the most innovative urban reclamation projects in memory. The story of how it came to be is a remarkable one: two young citizens with no prior experience in planning and development collaborated with their neighbors, elected officials, artists, local business owners, and leaders of burgeoning movements in horticulture and landscape architecture to create a park celebrated worldwide as a model for creatively designed, socially vibrant, ecologically sound public space. Joshua David and Robert Hammond met in 1999 at a community board meeting to consider the fate of the High Line. Built in the 1930s, it carried freight trains to the West Side when the area was defined by factories and warehouses. But when trains were replaced by truck transport, the High Line became obsolete. By century's end it was a rusty, forbidding ruin. Plants grew between the tracks, giving it a wild and striking beauty. David and Hammond loved the ruin and saw in it an opportunity to create a new way to experience their city. Over ten years, they did so. In this candid and inspiring book--lavishly illustrated--they tell how they relied on skill, luck, and good timing: a crucial court ruling, an inspiring design contest, the enthusiasm of Mayor Bloomberg, the concern for urban planning issues following 9/11. Now the High Line--a half-mile expanse of plants, paths, staircases, and framed vistas--runs through a transformed West Side and reminds us that extraordinary things are possible when creative people work together for the common good.

Awkwafina's NYC Nora Lum, 2015-04-14 Walking shoes? Check. Metrocard? Check. Sombrero? (Just a suggestion.) ONWARD! Let Awkwafina—the Queens-born rap artist of “NYC Bitches” fame—be your guide to the hidden gems of New York City (natives, we’re talking to you, too.) with 10 walking tour adventures that you don’t need a trust fund to enjoy.

Travel back in time exploring revolutionary-era Tottenville or Louis Armstrong's house in Corona. Gorge yourself on the haute-cuisine of the street-savvy, from authentic pierogi in Little Poland to steam dumplings in Flushing. Roll with Awkwafina, and she'll show you the neighborhoods you never knew you were missing (and a few you were missing the point of). This edition includes enhanced features that allow you to connect to a map from each checkpoint and plot your next moves at the click of a button.

Surf NYC Andreea Waters, 2016 New York surfing is mad. Breaks are hard to access, waves are inconsistent, winter (which produces the best waves) is brutal. You might risk almost anything just so you don't hear those famous words, You should have been here an hour ago. Follow dedicated wave hunters to the end of the A-train and beyond and peek into this passionate way of life through authentic photography and several surfers' personal journeys. Discover what it takes to brave the cold Atlantic Ocean and get a fresh insight on the Big Apple's hidden surf subculture. An adventurous photographer has developed relationships with local surfers, absorbed scarcely available knowledge about the ocean and climate, and placed herself in these elements without reservation. To respect the locals and their underground culture, there is no mention of where the specific action takes place. Locations may include Rockaway, Montauk, Long Beach, Lido Beach, and Northern New Jersey.

NYC Guide for Instagrammers S. Bonne, 2018-10 NYC Guide for Instagrammers is a one-of-a-kind guide to the Big Apple: hip and trendy, up-to-date, informative and playful. The book provides the reader with no less than a hundred scenic and impressive 'Instagrammable' spots in New York. Of course, some classics have been included - Brooklyn Bridge, Grand Central, Liberty Island, Central Park - but most of all, the reader will be introduced to hidden gems, known only to locals, and to 'new classics', relatively new landmarks on the verge of becoming some of the biggest attractions New York has to offer.

Smarter New York City André Corrêa d'Almeida, 2018-08-28 Innovation is often presented as being in the exclusive domain of the private sector. Yet despite widespread perceptions of public-sector inefficiency, government agencies have much to teach us about how technological and social advances occur. Improving governance at the municipal level is critical to the future of the twenty-first-century city, from environmental sustainability to education, economic development, public health, and beyond. In this age of acceleration and massive migration of people into cities around the world, this book explains how innovation from within city agencies and administrations makes urban systems smarter and shapes life in New York City. Using a series of case studies, Smarter New York City describes the drivers and constraints behind urban innovation, including leadership and organization; networks and interagency collaboration; institutional context; technology and real-time data collection; responsiveness and decision making; and results and impact. Cases include residential organic-waste collection, an NYPD program that identifies the sound of gunshots in real time, and the Vision Zero attempt to end traffic casualties, among others. Challenging the usefulness of a tech-centric view of urban innovation, Smarter New York

City brings together a multidisciplinary and integrated perspective to imagine new possibilities from within city agencies, with practical lessons for city officials, urban planners, policy makers, civil society, and potential private-sector partners.

Hello, New York City! David Walker,2010-05-04 Take a tasty bite of the Big Apple, where a lively tour goes from Times Square down to Coney Island's famous aquarium, with stops at the American Museum of Natural History, Lincoln Center, and of course, the Statue of Liberty holding her torch up high.

Homelessness in New York City Thomas J. Main,2017-09-12 Introduction -- The beginnings of homelessness policy under Koch -- The development of homelessness policy under Koch -- Homelessness policy under Dinkins -- Homelessness policy under Giuliani -- Homelessness policy under Bloomberg -- Homelessness policy under De Blasio -- Conclusion.

Hidden Waters of New York City Sergey Kadinsky,2016-03-22 A guide to the forgotten waterways hidden throughout the five boroughs Beneath the asphalt streets of Manhattan, creeks and streams once flowed freely. The remnants of these once-pristine waterways are all over the Big Apple, hidden in plain sight. Hidden Waters of New York City offers a glimpse at the big city's forgotten past and ever-changing present, including: Minetta Brook, which ran through today's Greenwich Village Collect Pond in the Financial District, the city's first water source Newtown Creek, separating Brooklyn and Queens Bronx River, still a hotspot for urban canoeing and hiking Filled with eye-opening historical anecdotes and walking tours of all five boroughs, this is a side of New York City you've never seen.
